Grand Hotel Terme Rosapepe, Contursi, Italy, SA

Susan Rosapepe (Annapolis) and Gerry Gaeta (New York) will be traveling with you to lead you on this exclusive tour to

Rosapepe family terme and village. The Grand Hotel Rosapepe is located in the valley of the River Sele deep in the Campania region. Soak in the **mineral**

baths fed by underground hot springs. Partake in thermal spa treatments and curative white mud massages. Meander the beautiful gardens and walking trails of this property which has been lovingly developed over time by the Rosapepe family who continue to manage the

complex today. Lauded by scholars of ancient Rome, the unique white mineral mud of Terme Rosapepe has been used for thousands of years for its therapeutic and cosmetic benefits.

Sample Excursions

Explore Pompeii Excavations, the ancient Roman city destroyed by the eruption of Mt. Vesuvius in 79 AD

"Walk With The Gods" – An exhilarating walking tour along the spectacular Cilento Coast with its magnificent landscapes and seascapes.
